

End of Year Expo 2022: Recognition Categories

Power of Positivity

The "Power of Positivity" category recognizes individuals or groups who have exhibited exceptional positive energy around technology integration and have been able to "move the needle" at their school as a result.

Integral Integrator

The "Integral Integrator" category recognizes individuals or groups who have gone above and beyond in supporting their faculty around the use instructional technology in the classroom.

Stuntperson

The "Stuntperson" category recognizes individuals or groups who have taken risks or are consistently pushing themselves in the sphere of technology integration in their classroom.

New to the Game

The "New to the Game" category recognizes a teacher in their first three years of teaching in the classroom* who has successfully integrated technology into their classroom.

*first three years as a certified teacher.

Civic Engagement

The "Civic Engagement" category recognizes individuals or groups who have worked to connect school technology with the community in significant ways, typically through special events and/or projects.

MLTI Lifelong Learner

The "MLTI Lifelong Learner" category recognizes recent retirees who played a vital role in implementing the vision and principles of the MLTI program at their school.
